The 4th quarter midterm is on Thursday, April 30, 2026. We only send out 4th quarter midterms to families of those students' teachers feel it is important to reach out to. Teachers will be contacting parents this week if there are any academic concerns. Information on your child's progress can be found daily on the school's Infinite Campus parent portal, except 6th – 8th and parents have that information. If you have not taken advantage of this tool and would like more information, feel free to call the school.
